## Profile

We are specialized in the manufacture of customized products of Diesel tanks, Conveyor system, Motors, Gear boxes, lock nuts, flexible couplings and Bearings for a variety of applications such as Oil and Gas, Refineries, Textile, Paper, Cement, Construction & Crusher equipments etc. On the strength of its strong customer focus and operational & quality consciousness, Swapna Engineering Industries continues on its journey to improve the experience of its Customers and establish itself as a strategic and reliable business partner for all its customers.

Flash Tanks, Oil & Gas Tanks, Digesters, Kilns & Kiln Shells for Cement Mfg. Industries, Underground Oil Tanks, Boilers, Pipe Line, Heat Exchangers, Filters, Flow Control Valves, Well Heads, Gas & Air Pipeline, Carbon Filters, Pipeline Connectors and Any Tank & Pipeline Works related to any Industry or Manufacturing Companies.

Ball Mill Parts, Bearings, Box Nuts (in all metals), Brake Drums, Gear Box, Condition Ring, Crane Wheel, Crushers, Gearboxes, Glycol Pumps, Hose Pipes, Motors, Pipe Line Fittings, Pumps, and All types of Gear Coupling Works related to any Industry or Manufacturing Companies.

Conveyor System, Casting Pulley, Cutting Blades, Bevel Gear, Bronze Bushes, Bearing Block, Bush Bearings ( Any Metal ), Rubber Tyre Type Coupling, Cylindrical Roller Bearings, Lead Screws, Lock Nuts, Needle Roller Bearings, Nipple, Plummer Blocks and All types of Bearing Works related to any Industry or Manufacturing Companies.

Metal Ribbon Couplings, Gears, Linear Guide, Clutch Plates, Angular Contact Ball Bearings, Hose Pipes, Filters, Ball Screw with Nuts, Deep Groove Ball Bearings, Cone Shafts, Collets, Jaw Couplings, Lapping Plate Casting, Flag Type Pulleys and All types of Shafts, Worm Shaft Works related to any Industry or Manufacturing Companies.

Rollers, Spur Gears, Sprockets, Self Aligning Roller Bearings, Tile Rods, Timer Pulleys, Nuts, Pinion Shafts, Racks, Cluster Gear, Lead Screw with Nuts & Box nuts, T – Bolts & Nuts, Tapered Roller Bearings, Worm Wheels and All types of Cylinders & Works related to any Industry or Manufacturing Companies.

Kirby Sheds, Bunk Houses, Pipe Lining, Fencing and All types of Conveyor Systems related to any Industry or Manufacturing Companies.

Kirby Sheds, Bunk Houses, Pipe Lining, Fencing and All types of Conveyor Systems related to any Industry or Manufacturing Companies.
